The Coalition on Homelessness and Housing in Ohio is updating our online database in an effort to better serve individuals in the community. The COHHIO Directory of Services lists more than 500 nonprofit housing agencies and services that help prevent homelessness and provide affordable housing in Ohio. This quick reference guide provides user-friendly information to help people avoid homelessness and find affordable housing. The directory is used by nonprofit organizations, churches and community groups working on the front lines in Ohio communities. It would be greatly appreciated if you or another representative from your agency could take 5 five minutes to fill out this information and send it back to Jonda by email or fax. Thank you in advance for your time. Please fax to: Attention – Jonda 614-463-1060 (F) or email to jondaclemings@cohhio.org
